KIDS' CLUB

A dream escape for the little ones!

With 500 sqm of space designed for children, Fairmont Royal Palm Marrakech is committed to making their dreams come true.

Fun-packed holidays are guaranteed with an abundance of enriching activities and mouth-watering gastronomic experiences conjuring up feelings of adventure and discovery in a cheerful and colorful setting.

Each day at the Kids' Club is organized around multiple themes and activities: painting, drawing, collage, crafts and pottery workshops, oriental dance, yoga and calligraphy are all specially designed to unleash the creativity of children.

Whether they fancy a splash in the pool, a smash on the mini tennis courts or a swing on the golf driving range, outdoor activities take center stage at the Kids' Club.

In the evening, the toddlers can watch movies under the stars. The curious little ones will also be introduced to stargazing by trained animators using a telescope.

The spacious kids area has its own restaurant serving lunch and dinner. Every day the Chef prepares a nutritionally balanced, yet delicious menu to treat the children's taste buds to flavours from around the world. They will be introduced to gastronomy through 'Little Chef' workshops (cotton candy, crepe and popcorn making) and cooking classes.

A tree house, wooden sheep and llamas plunge the children into a picturesque natural setting. Drums and tam-tams add the finishing touch to this cosy space where they will create their first holiday memories.
