rimal spa treatments

Rimal Spa is an exclusive European style spa, with an Arabic influence, offering a fusion of modern result driven treatments available exclusively in the region, at Mövenpick Hotel Bahrain.

caci facial toning

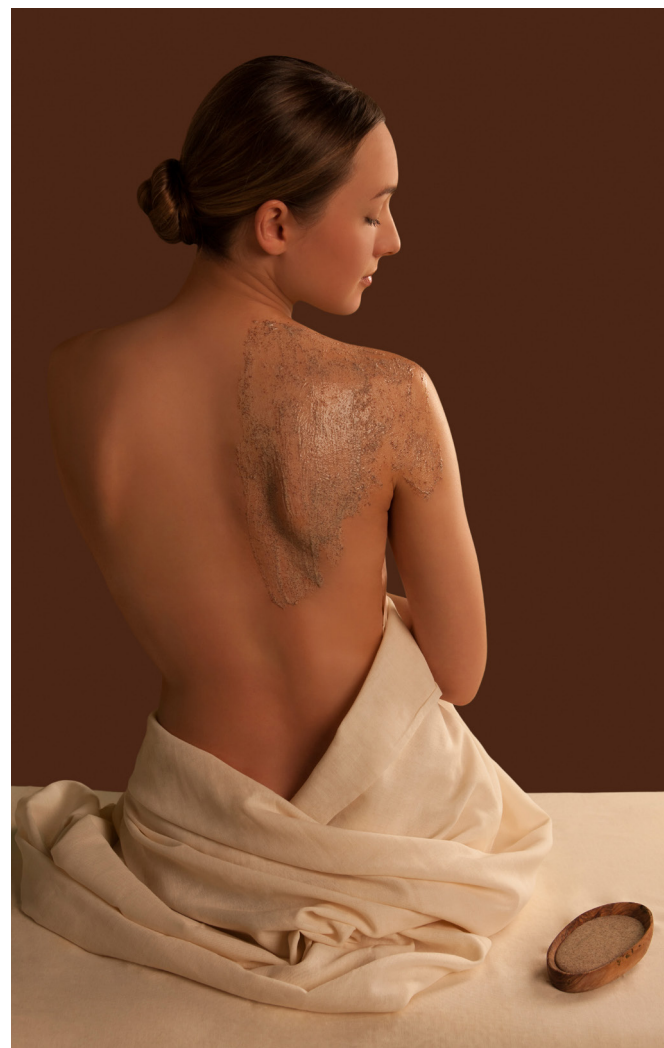

CACI(Computer Aided Cosmetology Instrument) is a system that uses series of electrical pulses that stimulates muscles, with microcurrent facial techniques in conjunction with faradic slimming and toning applications, the CACI redefines facial muscles, reduces lines and wrinkles and tightens and tones sagging body muscles.

voya rejuvenated skin

VOYA is a luxury organic beauty and skincare product line certified, 100% organic using wonderfully hand-harvested seaweed from the Atlantic Ocean. With detoxing and skin moisturising effects, VOYA rejuvenates and repairs the skin.

The raw seaweed extracts are rich in minerals and oils from nature; in combination with the finest organic ingredients, such as shea butter, bee's wax, Dead Sea salts and pure Aloe Vera.

charme d'orient

beauty redefined

Charme D'orient products return to traditional beauty rituals and turns every treatment into a true celebration of the body. With secrets of black soap and of the Kassa, every gesture evokes a unique scent and emotion.
