TAZI PALACE TANGIER

---

Factsheet

**A majestic immersion** into the soul of Tangier, a carefully restored gem standing high on the hills of Tangier, proudly overlooking the forest and Old City with the mountains on the horizon, Fairmont Tazi Palace is opening its doors for the first time with a meaningful new purpose.

Originally built in the 1920s for the advisor to the King, it has been transformed into an iconic five-star resort that invites you to sit back and enjoy every moment in an idyllic setting, offering a seductive blend of style and serenity.

The historical architectural details, the magnificent light that passes through the ancient three floors skylight in the atrium, and the impeccable workmanship found in all decorative elements of the building articulates the mystery and intrigue of the Tazi Palace transporting it to a new era respecting its original identity.

Set within 3,6 hectares within a lush hill overlooking the white city of Tangier, Fairmont Tazi Palace Tangier is 10 minutes away from the city center.

*“There’s no innocence in Innocents”*

*Open for dinner service  
From 7:00 pm to 1:00 am  
Total Capacity: 20 seats*

An intimate venue with an electric mix of all the hedonistic elements from various eras. A place that’s anything but innocent, it’s an invitation to socialize, express ideas and share feelings in complete privacy and discretion.

At Innocents, Decor is electric and colourful, beverage is unpredictable and never the same and live music is played throughout the night — a seemingly random range of musicians and instruments, from West African drumming to tie in the mural art, to saxophonist to give a nod to the beat generation favorites.

Experiences are authentic, unposed and unforgettable.

Innocents - Where More is more ... but we won’t say more.

Entertaining and educational activities include arts and crafts, cultural workshops, cooking games, gardening, dance classes and yoga sessions tailored for little ones. All activities are led by trained professionals.

Known for being the junction point of the Atlantic Ocean and the Mediterranean Sea, Tangier offers a multitude of breathtaking sceneries and a large choice of nautical activities. Its entrenched history exhibited by the majestic palaces, museums and art galleries enchant all visitors eager for a change in scenery. Our hotel is within easy access to discover the city's treasures, to taste the fresh catch of the day from nearby fisherman villages, or tour the neighboring old fortified cities.

📍 *CHEFCHAOUEN, the blue diamond*

Chefchaouen also known as Chaouen is a city in northwest Morocco and situated just inland from Tangier and Tétouan. Built on a mountainside, Chefchaouen is a city with a unique charm. With its blue-rinsed houses, the whole city seems to be bathed in azure.

📍 *ASILAH, the pearl of Morocco*

Asilah is a fortified town on the northwest tip of the Atlantic coast of Morocco about 31 km south of Tangier. Its ramparts and gateworks remain fully intact. Authenticity, beautiful beaches nearby, a magnificent and artistic medina, ramparts on the ocean... A mixture of Essaouira, Cyclades or Andalusia.

The hotel's proximity to the Royal Country Club of Tangier (1.5km) makes it the perfect location for an extraordinary 18-holes golf game over the lavishing 65 hectares of the court.
