## ALLSAFE

We have introduced elevated hygiene & prevention measures to ensure your safety. The ALLSAFE label represents our new cleanliness & prevention standards and provides assurance that these standards have been met in our hotels.

- **Your safety is of the utmost importance to us**
- We are committed to implementing the most enhanced hygiene and safety standards throughout our rooms, restaurants, pools, venues and all other facilities we offer across the hotel.
- We have received the ALL SAFE CLEANLINESS LABEL which certifies that we have implemented the newest global standards for cleanliness and prevention.
