### About Makkah

Makkah is the holiest site in Islam, with the Grand Mosque and Ka'aba at the very center of religious life for the world's 1.8 billion muslims. The Prophet Mohammad (Peace be upon him) was born in this ancient Arabic trading center in the 7th century, experienced his first revelations and introduced the Islamic faith here. Each year, muslims from all over the world travel to Makkah for Hajj (major pilgrimage) or Umrah (minor pilgrimage).

Raffles Makkah Palace suites and villas offer panoramic views of the Grand Mosque, and the Ka'aba - the primary destination of pilgrims - is literally just steps away from the hotel.
