PERSONAL TRAINING

Harry Jameson

- Fitness Guru
- The Times Fitness Correspondent
- Lu Lu Lemon Ambassador

PTAND REHAB SUPPORT

The team, led by Harry Jameson, covers all disciplines within fitness, sports and conditioning. PILLAR will provide the highest quality one to one training sessions for members in the marketplace. PILLAR will train each member of the fitness team to upskill the fitness staff into PILLAR wellness practitioners. PILLAR trainers also deliver a variety of complimentary classes, including yoga, boxing and Pilates to guests.

PILLAR PERFECT BALANCE

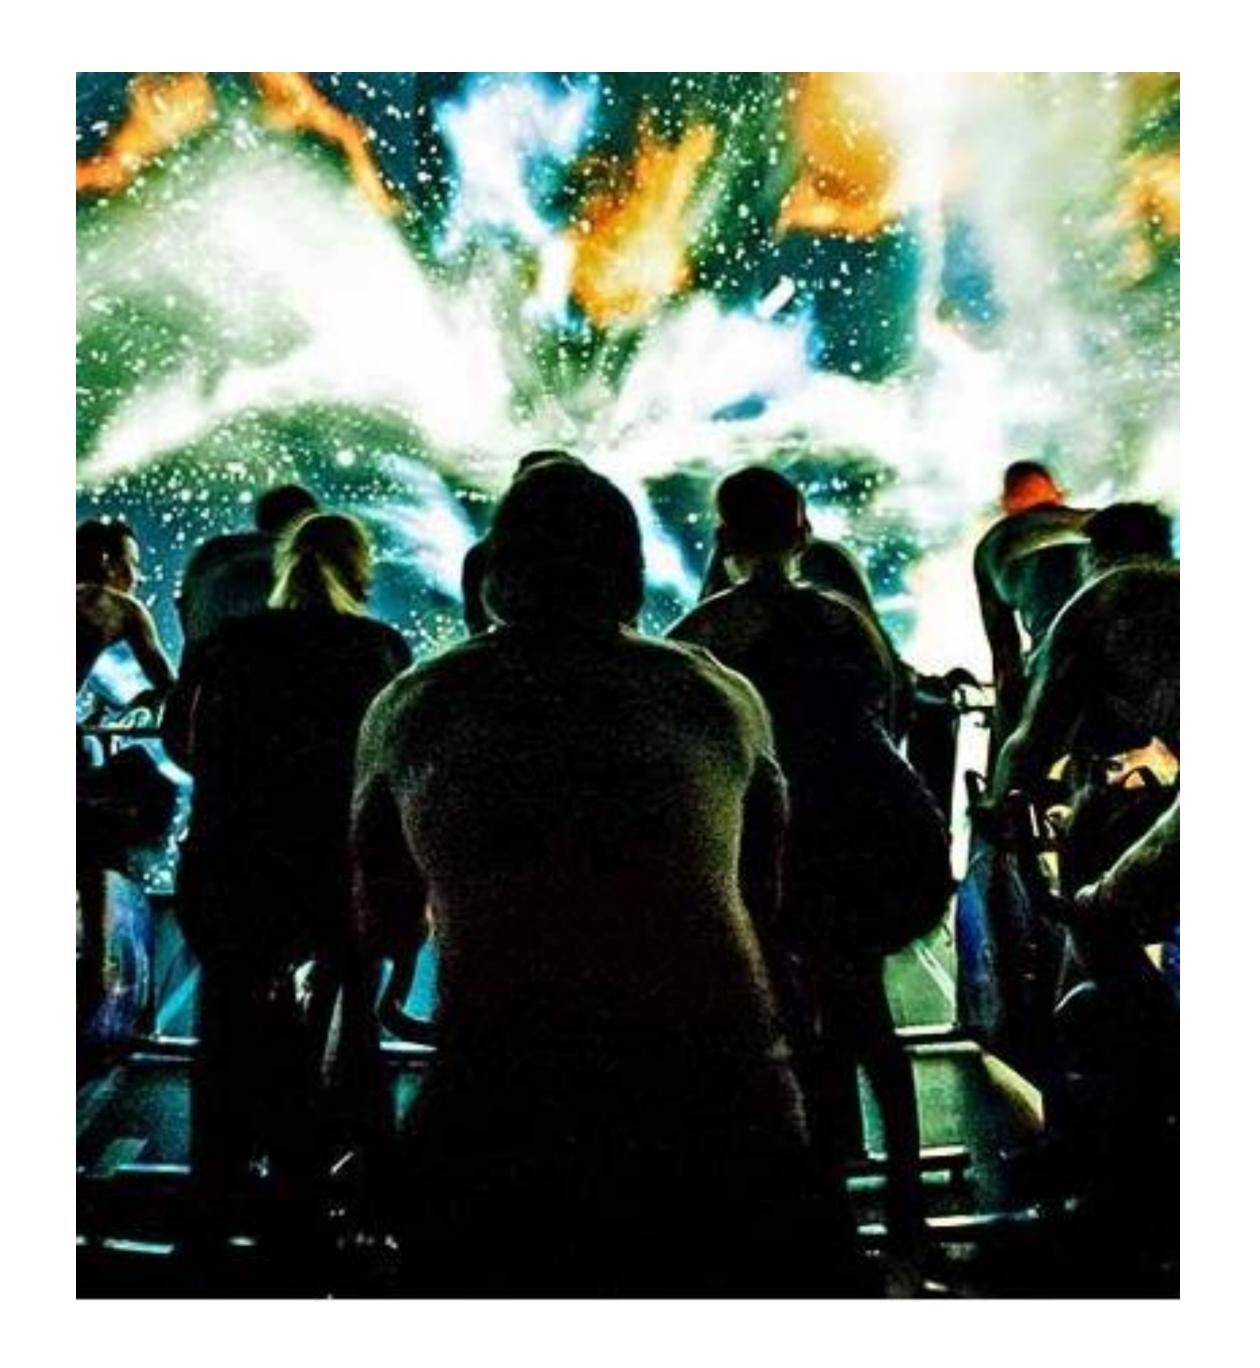

As a performance coach, his entire career has been dedicated to improving the lives and performance of the worlds highest achieving individuals. Harry still counts world leaders, leading industry CEOs and some of the most influential people on the planet as his clients. This inside industry insight lead to his understanding that there is a gap in the global market for a holistic approach to preventative health and wellness and it is matching that belief with world-class hospitality has led to the creation of PILLAR.

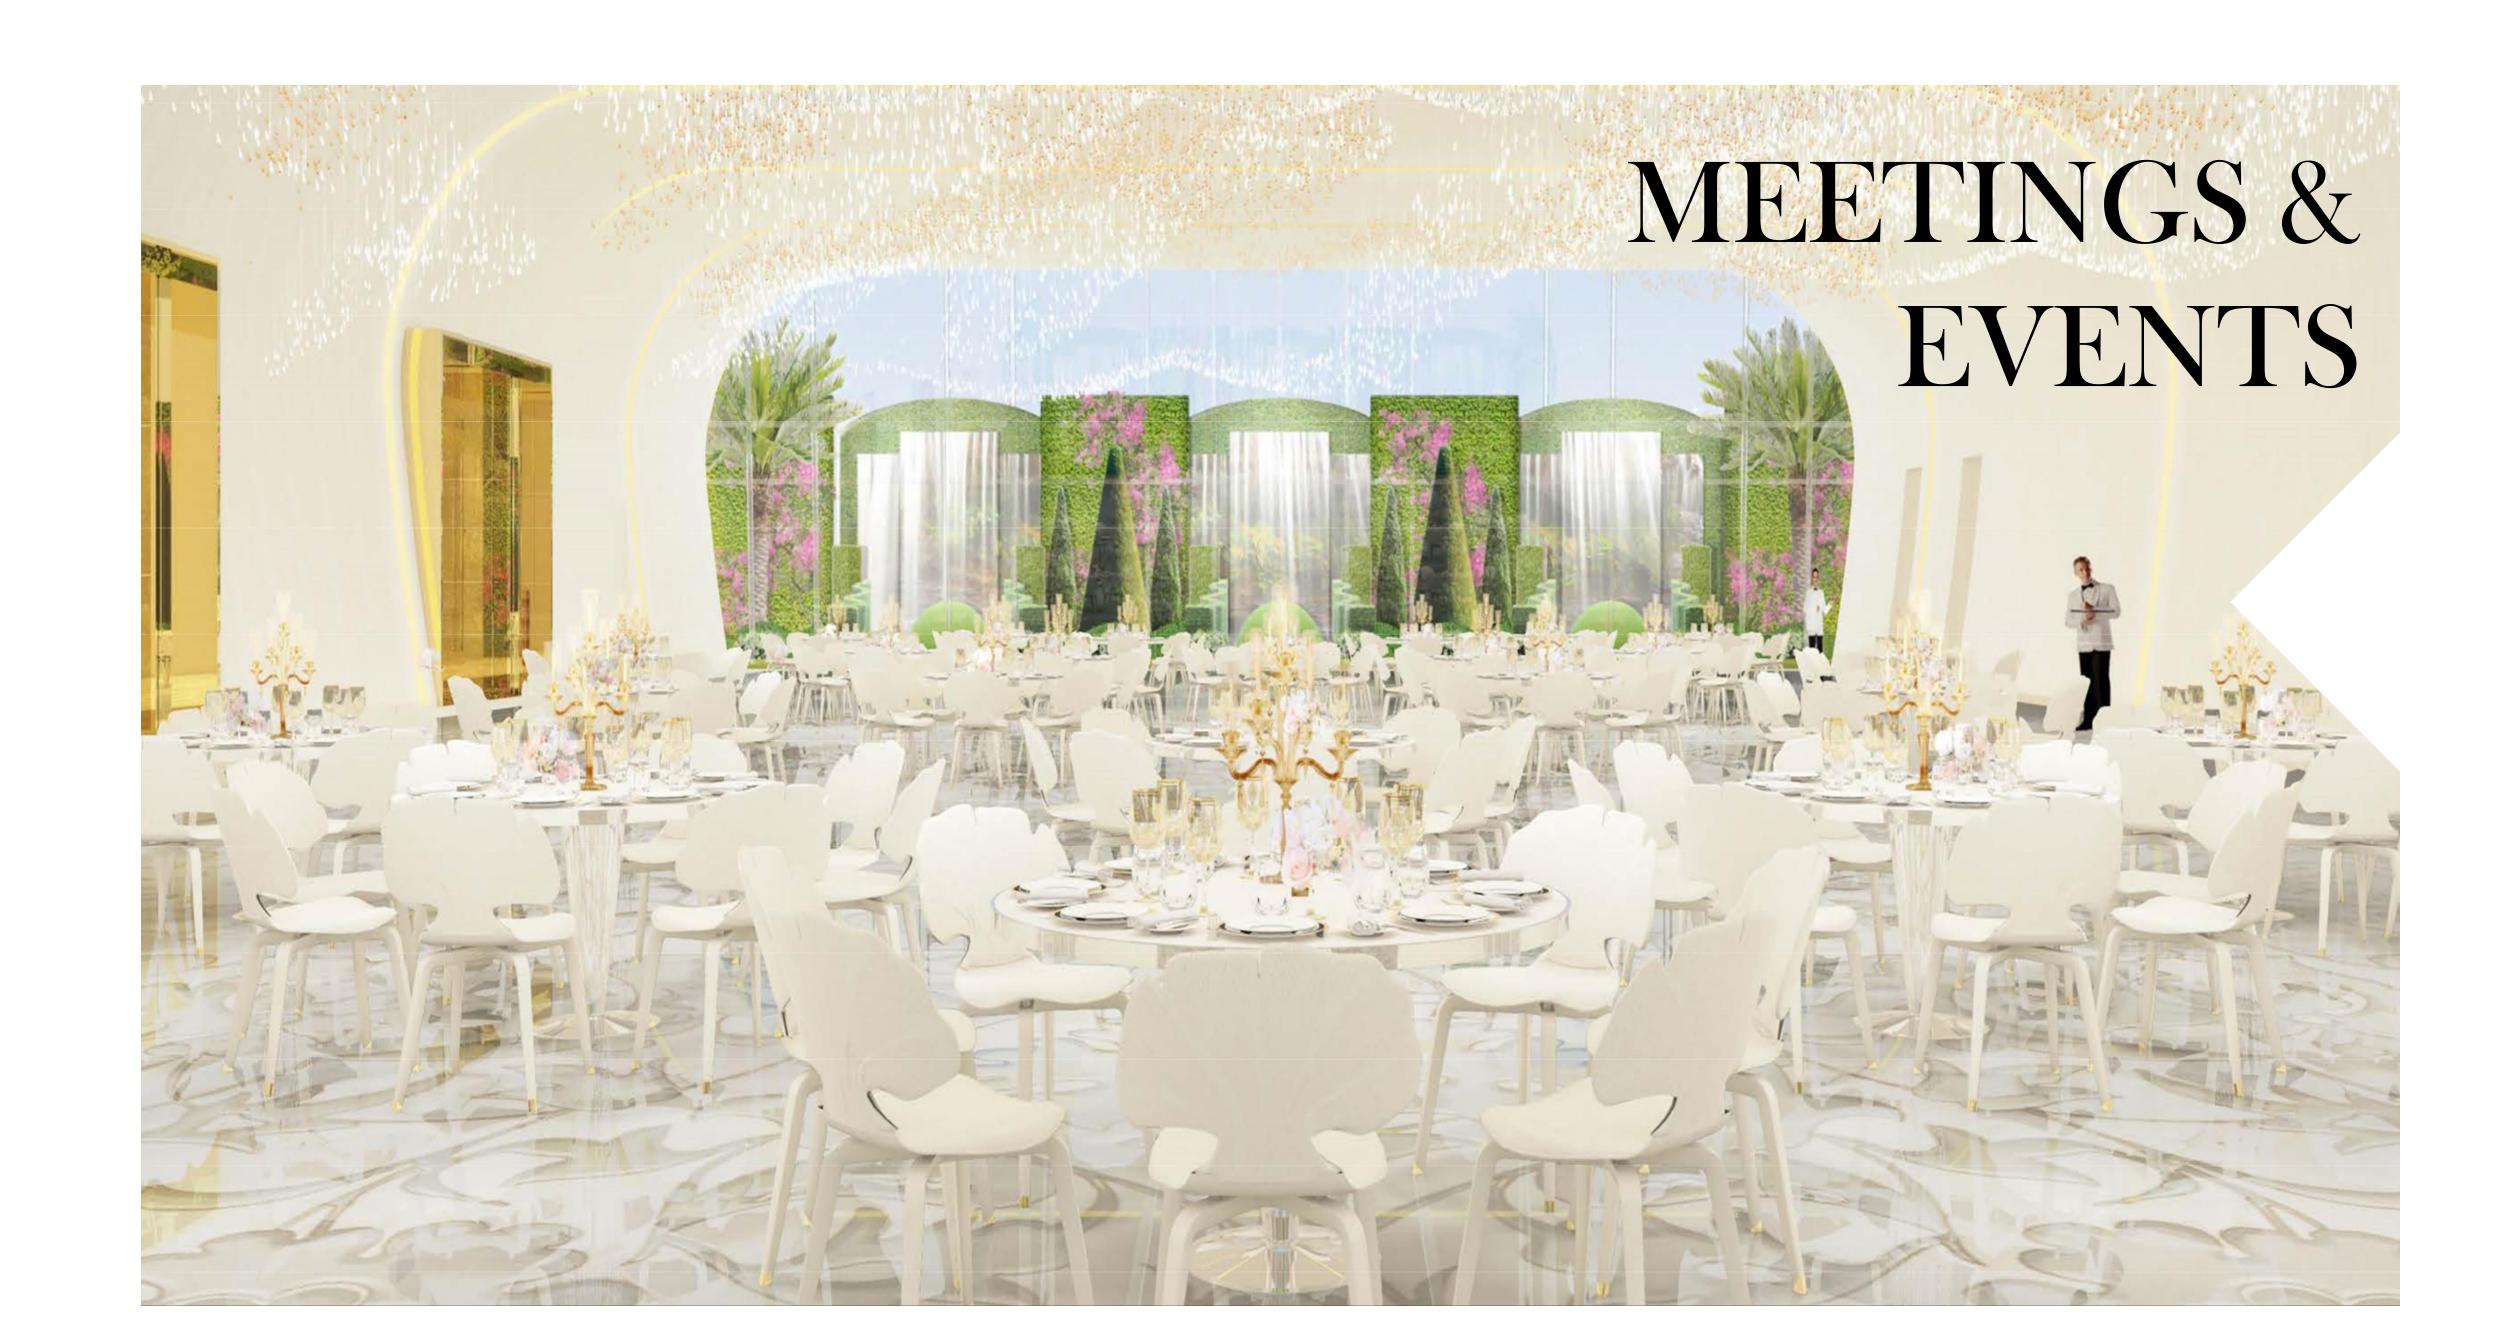

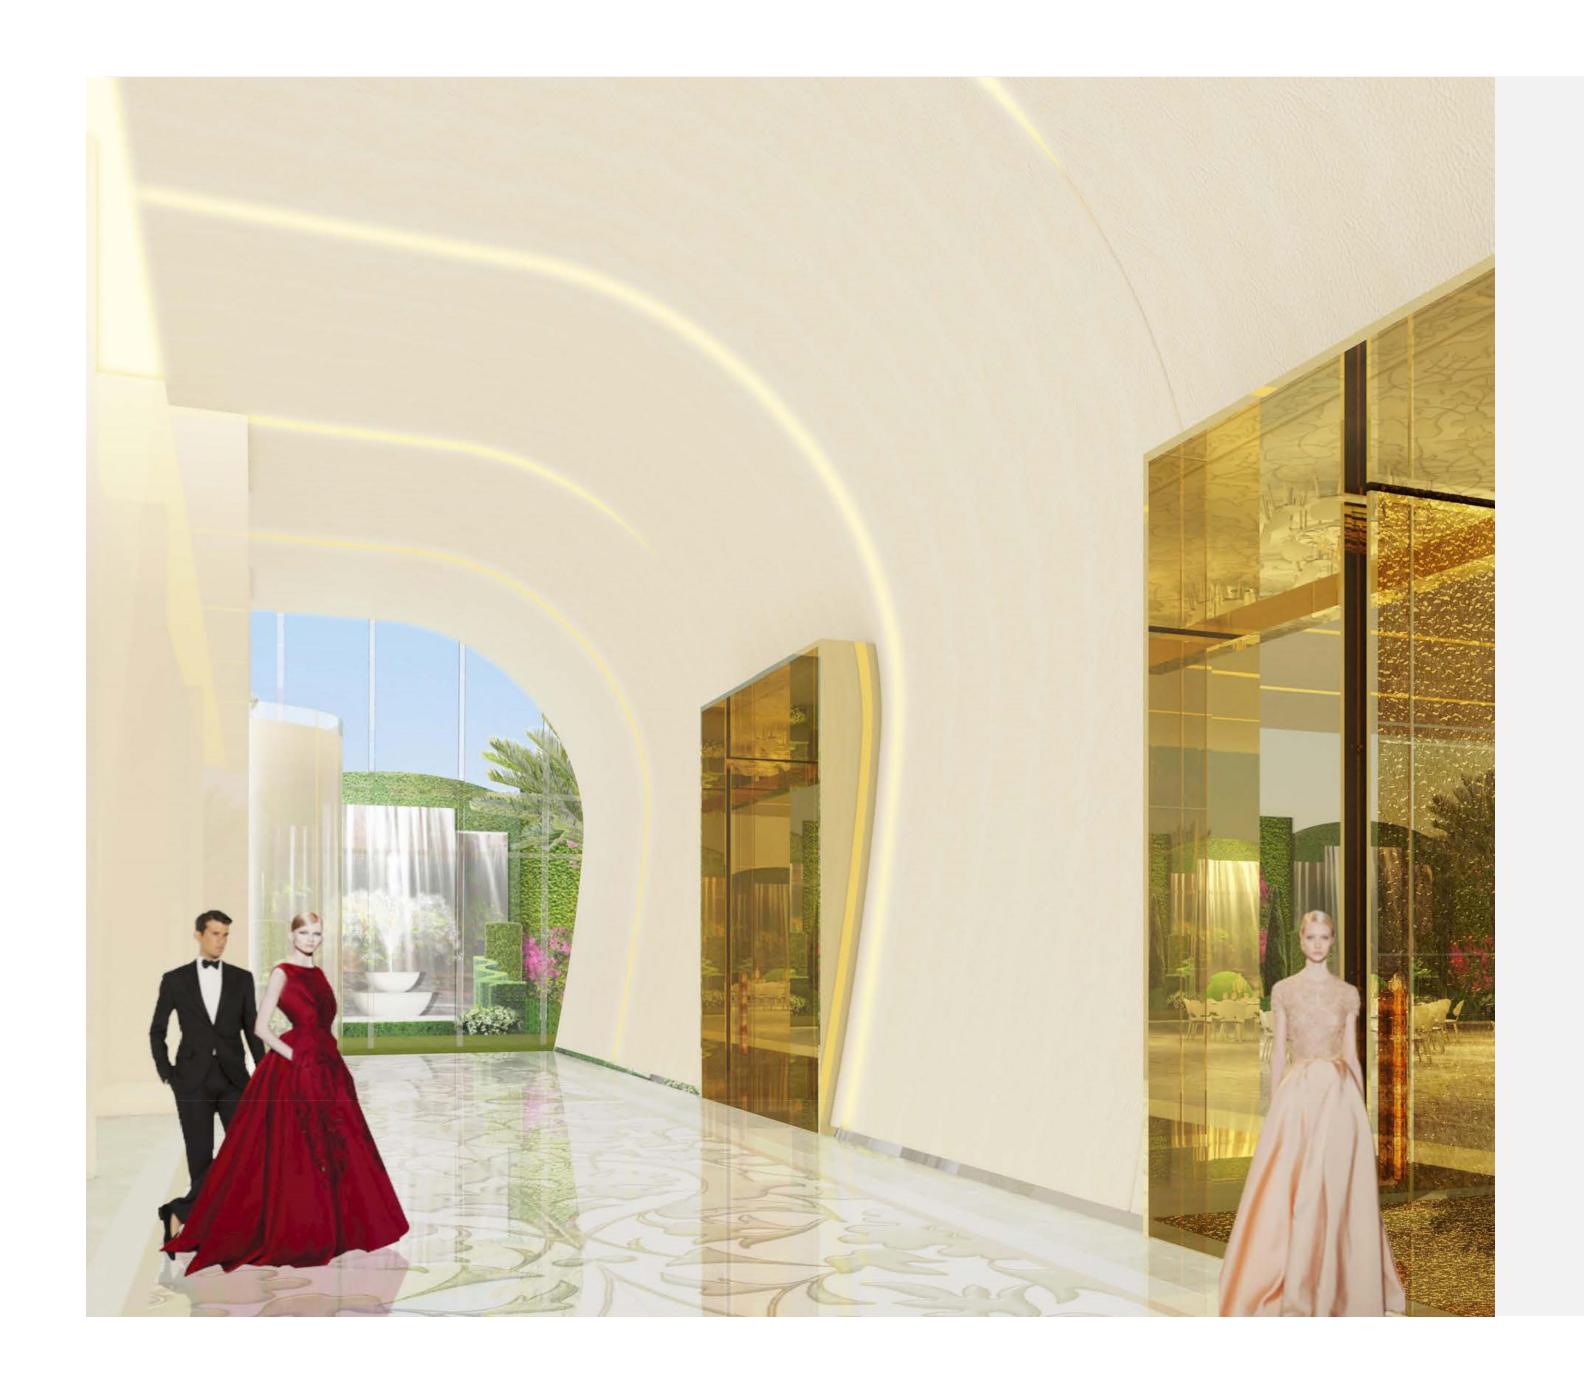

A DRIVEN COMMUNITY OF FITNESS & WELLBEING AFICIONADOS

Designed to accommodate up to 600 members, we wish for our fitness facilities to become a meeting space for sports enthusiasts and a regular fixture in locals' lives, with a real sense of belonging. In order to create this thriving, dynamic fitness community, we will put several things into place:

- Weekly outdoor sports events: running, biking, etc.
- Larger scale special events: bootcamps, retreats, competitions such as Spartan races, Ironman triathlons, etc.
- Flying in international wellbeing and fitness gurus to create unique experiences.
- These activities will help effectively put us on the map not only at the Doha level, but across the region.
