## “The unmet needs - met.”

A phrase that will define your experience starting the minute you step into our lobby; where design meets the Mövenpick brand of elegance, efficiency and comfort. Insuring your journey is filled with unforgettable moments.

# Passion for making moments

Mövenpick Hotels & Resorts is a modern, upscale hospitality company that is passionate about 'making moments', recognising that small gestures make a big difference to our guests, our owners and our team. We do ordinary things in an extraordinary way – a philosophy that has defined our brand's success from the very start.

A global firm with Swiss roots and a restaurant and hospitality heritage that dates back to the 1940s, our approach to service has remained consistent; warm, intuitive, personal and uniquely 'Mövenpick'.

# In The Heart of the Kingdom

Mövenpick Hotels & Residences Riyadh is situated right at the heart of the Kingdom of Saudi Arabia, a very unique location on the opposite of the new King Abdullah Financial District, which is meant to be the business hub of one of the world's most thriving economies. An experience unmatched by its convenient access to the capital's business and leisure landmarks, top companies, embassies, and the heritage rooted in its corners.

we promise only  
**excellence**

When you choose Mövenpick Hotels & Residences Riyadh, every aspect of your experience becomes a promise of excellence.

Explore our accommodation and facilities, where unforgettable moments are made.

The image shows a serene spa environment. A white marble countertop is in the foreground, reflecting the light. On it sits a wooden tray with a rolled white towel, a string of green and orange beads, and several small green and orange spa products. The background features a wall with intricate, colorful mosaic patterns in shades of blue, green, and gold. A large window on the right side of the frame provides a view of the outdoors.
